Paczuszka dla maluszka

Fundacja Małych Stópek

The Little Feet Foundation invites you to
participate in the holiday collection of hygiene items
"Parcel for a baby" for children in single mother homes and
children's homes throughout Poland.

You can join the initiative:

• preparing a package of hygiene products and leaving under the Christmas tree that participates in the action. On your behalf we offer it to needy children from the nearest Single Mother's Home or Children's Home,
or
• by sending a donation to the Foundation's account that will allow us to prepare a package for one baby who needs support.

Let's not forget about the smallest and most needy during Christmas preparations!
